

## Art and Design

### Printing with fruit and vegetables

Children will experiment with cut fruit and vegetables and other natural objects to explore pattern and design.

Printing—an art process of producing a transfer of an image.

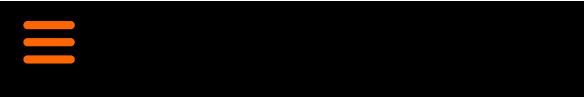

### Sculpture and Leaf art By Andy Goldsworthy

Children will also explore natural sculpture inspired by Andy Goldsworthy.

Sculpture— A three dimensional Piece of art work that can be created from different media.

Media—the type of material used by an artist to create their artwork.

Andy Goldsworthy is a British sculptor who produces site specific land art in both urban and rural settings using only natural objects. His work is recorded through photographs.
