Friday February 8<sup>th</sup> 2019

Dear Parents

It is hard to believe that we are already approaching half-term – hopefully the weather will improve when we return to school after the holiday!

## Sports for Champions UK

Many thanks for your sponsorship for this cause. We are delighted to inform you that we have raised £842.50 in total. The school will keep £250.50, which will go into School Fund and we will let the children, through the School Council, decide how we spend the money. On Monday February 11<sup>th</sup> an elite athlete will visit the school to deliver an inspiring assembly. All the children will be able to take part in an exciting fitness circuit, led by the athlete, during the course of the day. They may come to school on Monday in a P.E. kit that needs to be suitable for outdoor play. Please ensure they come appropriately dressed for this event.

## IT/Computing

Teachers and children have enjoyed getting to grips with our new interactive smartboards, which have been installed in all classrooms. We also have a new smartboard on a trolley, for use in the school hall or in other areas of the school. These boards will support teachers and children very effectively as a learning resource.

## Staffing

No news yet from Mrs Bird! We will let you all know as soon the baby is born! We thank Mr Swift for teaching Miss Swift's class for the last half term – it has been lovely to have him teaching in the Ormesby schools again! We will let you know about his replacement as soon as we can. Of course, we continue to send our love and thoughts to Miss Swift and her family.

School closes on Friday February 15<sup>th</sup> for half term and re-opens on Monday February 25<sup>th</sup>. We wish you all a peaceful break.

Yours sincerely

Lucy Bates  
Headteacher
