Thursday 27th February 2020

Dear Parent/Carer,

Welcome back to another busy half-term full of exciting themed weeks for the children!

Unfortunately, just before half term Ms Bates became ill and has suffered a ruptured appendix. She is now at home recovering and will be back as soon as possible. We wish her a speedy recovery! While she is away Miss McMyler will be based at the Junior School and Mrs Vaughan will be based at the Infant School should you need to contact either of us in Ms Bates absence.

Parents Evenings

These occasions are very important for you and your children and for their teachers. You will be able to find out about how your children are developing emotionally and socially and how they are progressing academically. These meetings give you the opportunity to ask questions and to find out how to support your children at home with their learning. They take place on Thursday 5th March and Tuesday 10th March and sign in sheets are available in each child's classroom. If you cannot attend on either of these dates, then please ask teachers for an alternative mutually convenient appointment. It is very important to us that you attend.

Recycling!

The Year 1 teachers have asked for any donations of junk modelling materials for the children to use to make their own model moon buggies. Empty cardboard boxes, washed out containers and kitchen roll tubes would all be greatly appreciated and can be given to either Year 1 Teacher over the next few weeks.

NSPCC Number Day

We all enjoyed taking part in fun maths activities during the day, and raised a total of £70.56. Thank you for your generosity. This money has been used to purchase some maths resources for the school, costing £22.74, and the remaining £47.82 will be sent to the NSPCC.

Parking

Sadly we continue to receive complaints about our parents parking across resident's driveways when dropping off and collecting children from school. Please treat our neighbours as you would like to be treated, and park considerately. **Please do not block driveways (completely or partially) or park near dropped kerbs. Please pass this request to anyone who drops off or collects your child from school.** We advise people who contact us to report these issues, to take the car registration number and report the issue to the police.
