Dear Parents

Welcome back to the second half of the Autumn term! We hope you had a peaceful and enjoyable half term holiday. This time of year is always very busy and exciting and the successful Halloween disco kicked off our festive celebrations admirably! The children thoroughly enjoyed the evening and I would like to thank all the staff and PTA members who helped to supervise. We raised £118.86 for school fund, so many thanks for supporting this event.

### Parents' evenings

These occasions are very important for you and your children and for the teachers. You will be able to find out about how your children are developing emotionally and socially and how they are progressing academically. These meetings give you the opportunity to ask questions and to find out how to support your children at home with their learning. They take place tonight, November 7<sup>th</sup>, and on Tuesday November 12<sup>th</sup>. If you cannot attend on either of these dates then please ask teachers for an alternative mutually convenient appointment. It is very important to us that you attend.

### Children in Need

On Friday November 15<sup>th</sup> children may come to school in their own clothes/spotty clothes in support of Children in Need. We are asking for a voluntary donation of £1 per child, which we shall send to the appeal. As this week is also National Anti-Bullying Week, on this day also, children may wear odd socks to show their support for the school's anti-bullying ethos. During this week children will be engaging in a range of anti-bullying activities to support the behaviour attitudes we are striving to promote every single day.

### Parking

Please remember that we ask you NOT to park illegally or inconsiderately near the school. We have received complaints from neighbours about cars parked across their driveways, so that they cannot get out when they need to. This seems to be happening particularly near the back entrance to the school, which is used by parents dropping off/picking up children from pre-school. The police always advise that registration numbers be taken and reported to them. Many thanks for paying attention to this very reasonable request.
